FOUNDER'S MESSAGE

Salutations!!

Dear all..

After a long 'feel' of corona, we are all getting back to normal again.. @ ATMA too things have started moving faster.

Our 'Gurukulam' children - some of them have taken another turn in education. They have joined courses of their choice now. Most of them are putting in their best efforts. My appreciations and best wishes to them all..

A mini bus for our digital and financial empowerment centre (ATMA DAFEC) has finally arrived! Our gratitude to Singapore Red Cross for supporting the project. It will serve the purpose of a mobile computer class room and help us reach out to the rural population. Let this be our contribution at 'Azadi ka Amrit Mahotsav'.

Our Volunteers' Conclave on 15th August also went on well. With active participation and involvement of more committed volunteers we can definitely give more to our community. Let this be our Gratitude for the Blessings we all have.. I believe we all can Do More..

Let us Do More... Together We Can

Love,
C K Suresh
