Congratulations!

Ms Sandra & Ms Anjali

Sandra & Anjali, MSW students of IGNOU, had interned with ATMA Foundation in April- May 2022. They took up some very responsible and tedious tasks and completed them with efficiency and dedication. Their work was much beyond their call of duty, and they have truly become a part of the ATMA Family! Thank you, Anjali and Sandra. You have amazed us with your commitment and perseverance! We really appreciate your volunteering spirit.

FOUNDER'S MESSAGE

16 years of serving the community.. It was indeed a moment of happiness, as ATMA celebrated the 17th Raising Day in May 2022. Much love shared.. Much hope kindled.. Many smiles created.. this has been the journey of ATMA..

The ATMA Family Get Together on the Raising Day was indeed a celebration of love, happiness, togetherness and service.. When we all shared our experiences with ATMA, it brought back so many good memories. It also gave the newcomers a glimpse into the spirit of being an ATMA Volunteer. We could also give special appreciation to our Best Volunteers.

The Volunteers' Conclave was another occasion to consolidate and channelise this positive energy into the ground work of ATMA. It was wonderful to see more people coming forward to join our volunteer team too.. I welcome you all to create transformational impact in people's lives..

Looking forward to many more years of celebrating service..

Love,
C K Suresh
