## FOUNDER'S MESSAGE

SALUTATIONS!!

Once again it is time for disaster preparations! Rain has affected almost every district of Kerala. We also must do our best to support the relief activities now...

Last month our senior Gurukulam children have taken another turn in their life. Swarna joining the Rajagiri hospital as staff nurse indeed is a glorious moment for us.. And Sreelakshmi was selected for both SBI fellowship and Gandhi fellowship but she opted for the job at Viswasanthi Foundation at Adimali.. You both make us proud!! Our Railway Child Help Desk is doing a wonderful job by rescuing many children from child labour etc... Thanks to the team... Uyare also is reaching out to more children.. What we should now focus on is volunteer development. When more committed volunteers start contributing more, the transformation must follow - in many lives..  
CONTRIBUTE...

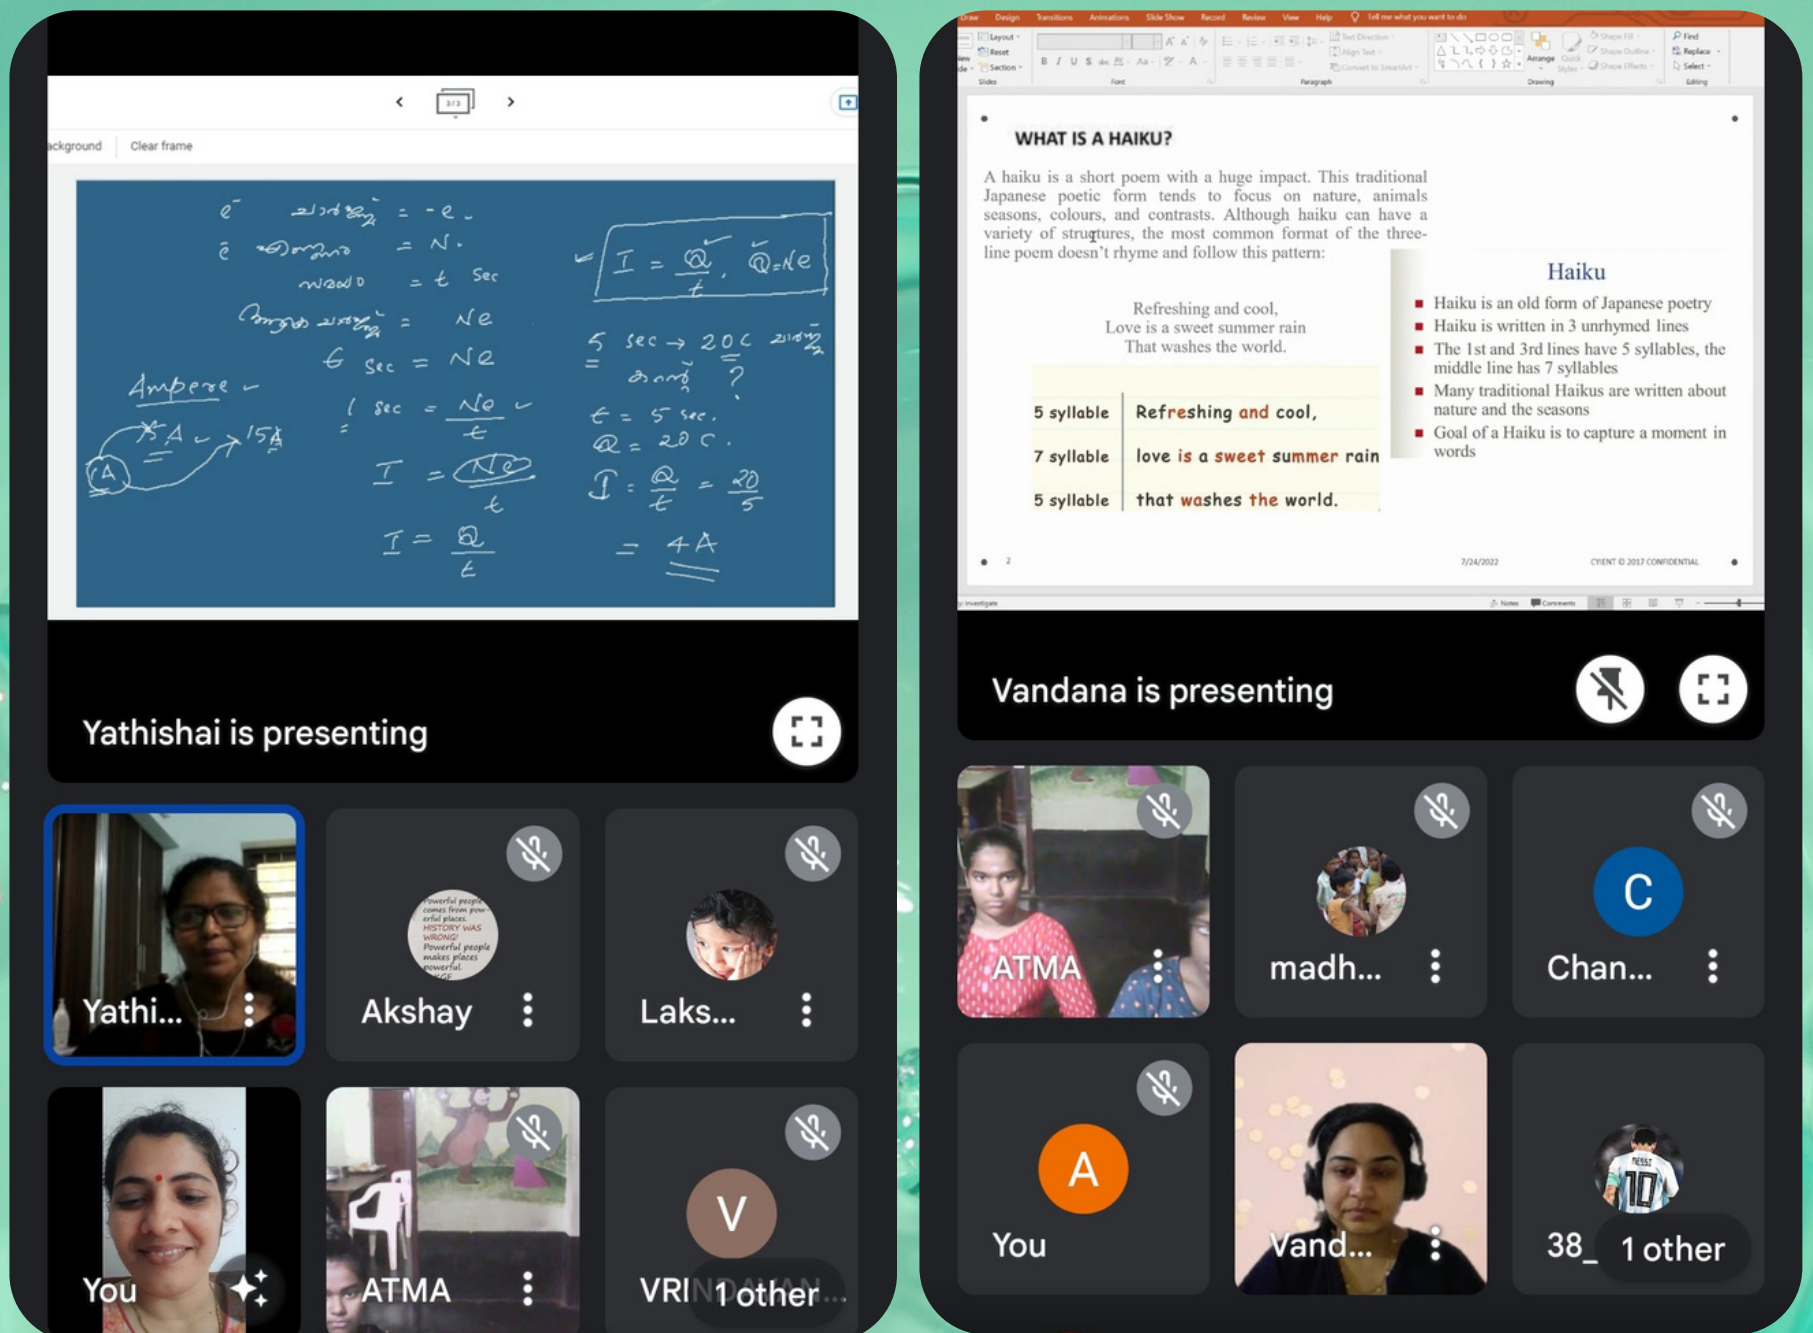

Love

C k suresh
