## FOUNDER'S MESSAGE

Salutations!!

It is school reopening time again.. for us, UYARE, our online learning support project also has geared up for the new year. This was one of our responses during the COVID 19 compulsions.

We started with online classes to CCIs. UYARE is now catering to more than 1000 students.. we did 10 one day camps for children... we had already supplied educational kits to over 1000 students - both at the CCIs and others.. some nutritional support to them as well... and our UYARE app is ready to support more students in their academic success.. it is reaching out to more children!

Our other projects are also gearing up to support more people in need... Looking forward.. I believe our committed Volunteers CAN..

Love,  
C K Suresh
